SECOM-D-004

6 January 1982

NOTE FOR: Mr. Walter Elder  
Executive Secretary, National Foreign Intelligence Board

FROM:   
Executive Secretary

25X1

SUBJECT: Revision of DCID's

25X1

REFERENCE: Your Memo IC/81/5502, Dated 4 January 1982

*W. Elder*

25X1

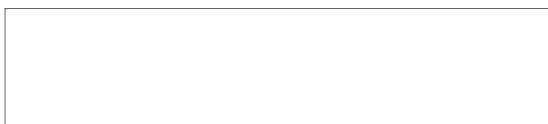

1. Reference memorandum speaks to the need for progress on the revision of DCID's. Per our 5 January telephone conversation, attached is a clean draft revision of the Security Committee charter, DCID 1/11. It reflects review and suggestions by  last March, and editing by  and myself to cut out some of the tautology that inevitably creeps into such directives.

2. Please advise how we should proceed with this.
